# HAD PSORIASIS FOR TEN YEARS

Itching and Burning Terrible. Appearance Worse. Had Specialists and X-Ray, with Some Success, Others without Relief. Used Cuticura. In 4 Days Relieved. Inside of 2 Weeks Cured.

"I had been suffering with psoriasis for a period of ten years. It would dis-appear occasionally for a year or so and then return in worse form than before. then return in worse form than before. The last attack came on a little over a year ago, and by early summer had covered me all over. The litching and burning were terrible, and my appearance was worse. I had tried different specialists and had had the X-rays used on me, sometimes with some success and at others without relief. In the early fall of 1909. I was induced to try the fall of 1909 I was induced to try the Cuticura treatment, by a party who had heard of a remarkable cure it had made, and I confess that I started in, not only without faith, but with every prejudice against the medicine. In four days I was relieved of the inconvenience, and inside of two weeks cured, except for a slight discoloration of the skin, which wore off in a few weeks. I subsequently saw my friend Mr. who had the same trouble. When he saw the wonderful effect of Cuticura upon me, he at once started the entire treatment and was well in about ten treatment and was well in about ten days. I beg to thank you for the relief you have given me, and if any one wants my testimony as to the merit of Cuticura for that trouble and will send me a stamped envelope with their address on it. I will be glad to send them a recommendation under my own signature. Harry G. Martin, 1003 Colvert Bidg., Baltimore, Md., Mar. 1, 1910."
